Reading Day

The Literary Club observed 19 June as National Reading Day to honour the life and works of P. N. Panicker, father of India's Library Movement. The Program was inaugurated by the renowned writer **Mr. Sachithanandan**.

Summer camp

Our Summer camp during the holidays really unlocked the creativity of the students During the unprecedented stand still of the Lock-Down period. 119 students participated from 25 schools from Kerala and nearby states.

Talento

Talento is a monthly showcase of talents, where students get a chance to do all kinds of art performances. The Talento was launched on 19 June by our Principal Dr. Anas. Students of grade 3 to 9 showed their enthusiasm by participating in different activities and that was a wonderful experience to all.

Teachers Training

Conducted teachers training programs on different topics, that equipped the team to face the challenges of online classes. Master trainers of CBSE, Subject experts and Edu-Tech trainers led the training program.

World Chocolate Day

For bringing a big smile to our little ones the Oxford team planned for a Chocolate Day celebration through a virtual platform. Different activities were conducted by the Pre-Primary section like making a flower vase using chocolate wrappers and collage etc. This was the most exciting part for the students.

DOCTORS' DAY

TOSC observed DOCTORS' DAY On 1 July 2021 honouring the doctors and other staff members of The Olavanna Community Health Centre in Pantheerankavu. Dr. Anas K (Principal), Mrs. Jothi Lakshmi (Pre-Primary Section HoS), Ms.Sulbha Ahuja (Primary Section HoS), Mr. Shajahan (Manager), Health and Fitness Club Incharge and Program Committee Members from TOSC were present on the occasion. Our Principal and Manager presented a token of love to the doctors of the health centre. The Superintendent of Olavanna Health Centre Mr. Shibu and Medical Officer Mrs. Deepa thanked the staff and students of the Oxford school. Students interviewed our doctor parents and presented them all with recognition certificates.

DOCTORS' DAY

INTER-SCHOOL ISLAMIC FEST

INTER-SCHOOL ISLAMIC FEST was a great opportunity for our students to test their talent in Islamic Art and Culture with other 2 Oxford schools in Kerala. Congratulations to the students who all took part in the event and those who bagged prizes in various competitions.

MALALA DAY

TOSC observed 'Malala Day' to bring awareness to Malala Yusafzai and her strong protest against the denied right of female education . The Primary section had organised a special assembly on July 12 with various activities .

MEHANDI DAY

As a part of Bakrid Celebration The Oxford School, Calicut observed Mehandi Day for students on Friday 16th of July for Grade 1 and 2 and on Monday 19th July for FS1 and FS2 respectively. Children were asked to apply mehandi designs of their choice on their hands. The students enthusiastically participated in the activity and showcased their skills.

MEHANDI DAY

Nature Conservation Day

EYFS of the Oxford School conducted the 'Blue Colour Day' on the theme "Save The Water " on account of the World Nature Conservation Day.

The significance of the day was reiterated through songs and activities.. Our little ones were pleasant and cool in their blue attire. Their backgrounds were beautifully adorned with blue colour balloons, flowers, water drop cutouts, clouds and other blue coloured objects.

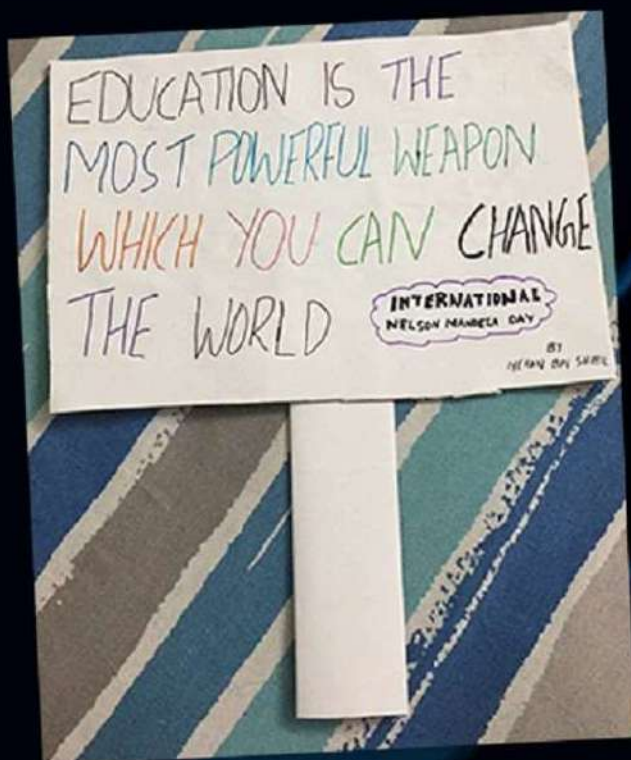

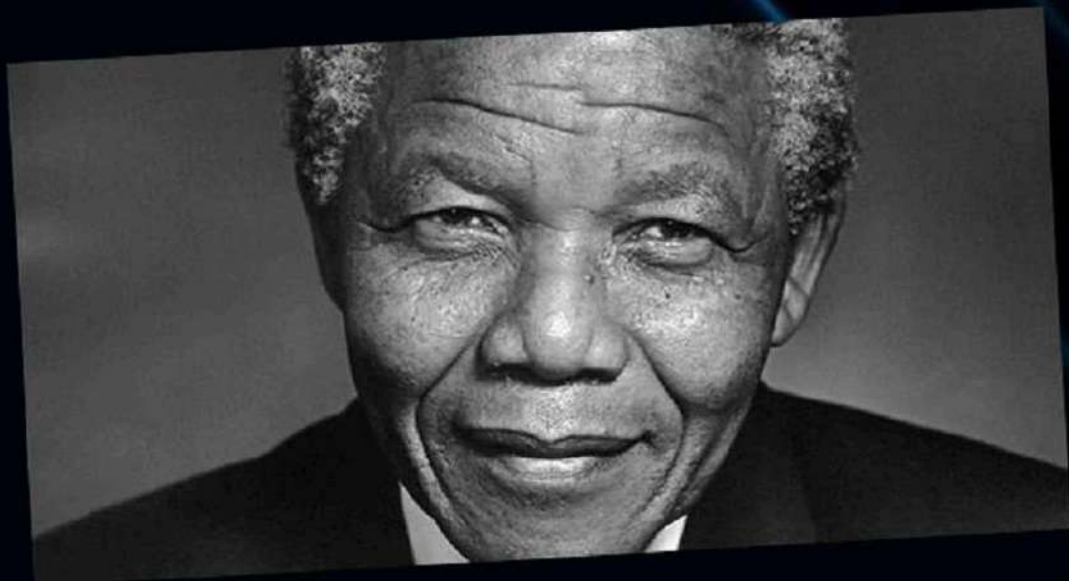

Nature Conservation Day

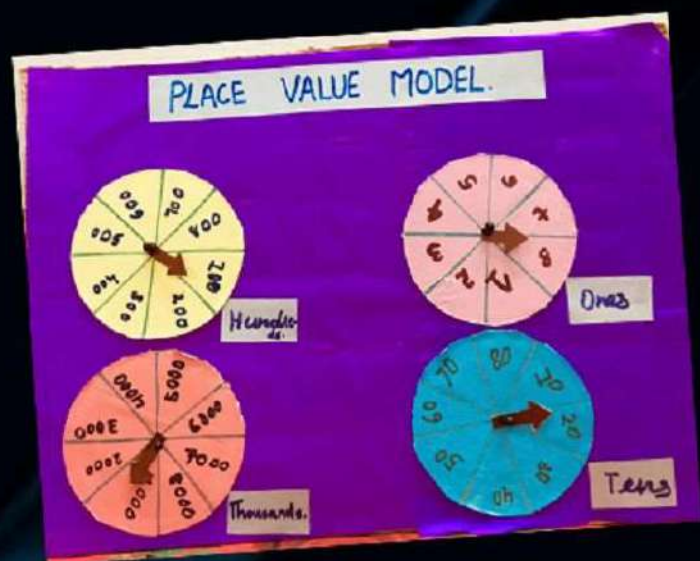

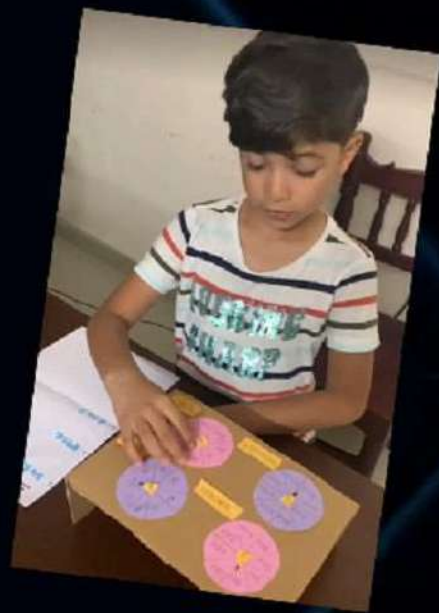

NELSON MANDELA DAY

We observed Nelson Mandela Day on JULY 18th Monday . Students did their part well to make the day meaningful with their speeches ,quotes and posters.

Number Sense Activity

It was another surprise from the Maths Club in order to make our students friendly with Mathematical Terms. Students of Grade 3 & 4 created working models for Place value and Expanded form of numbers

Number Sense Activity

PAPER BAG DAY

Paper Bag Day was observed on 14th July 2021 by Grade 1 to 5 students of TOSC. It was a day to spread awareness about using paper bags instead of plastics. The objective of the activity was to indulge students in the habit of recycling by teaching them how to make paper bags. The tutorial was done by Mr Noushad, Art Teacher.

PAPER BAG DAY

Parents' Day

The National Parents' Day is observed every year on 25th July and that was kept for the parents of 3 Oxford Schools in Kerala. Parents of the Oxford School Calicut, Trivandrum and Kollam participated in a Parent Orientation session exclusively conducted for the parents.

Dr Anas, Principal of The Oxford School Calicut delivered a talk on a relevant topic 'Virtual Learning and Parents'

Both Dr Abdul salam, Principal, The Oxford School, Trivandrum and Mr. Mammikkutti, Principal, The Oxford School Kollam facilitated the audience. Mr. Arun Mohan, faculty member of Oxford

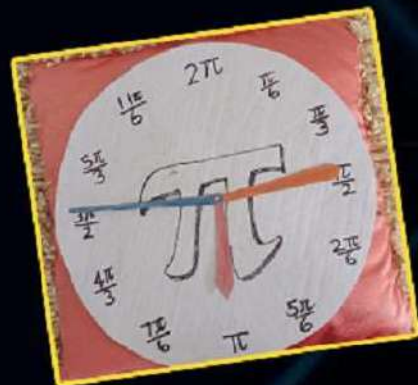

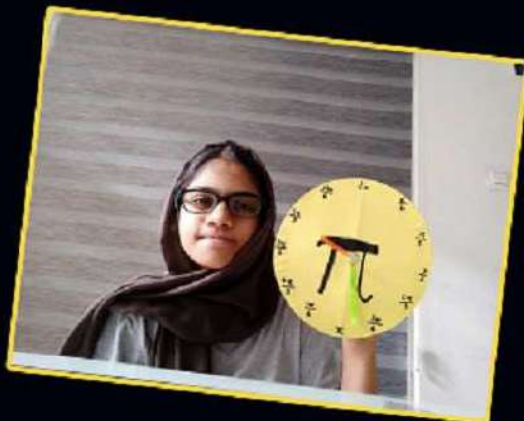

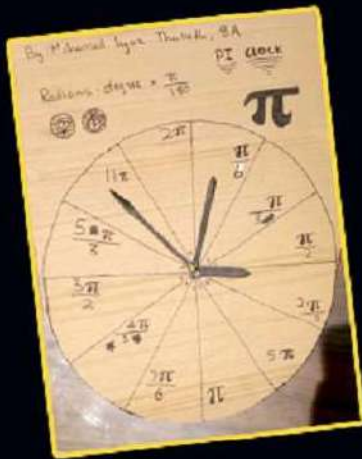

Pi (π) Approximation Day

The Maths Club conducted the Pi (π) Approximation Day that sensitised our students how to calculate Pi by finding the ratio between circumference and diameter. Students of Grade 7 found out the value of Pi (π) using circle plates and threads and Students of Grade 8 & 9 created a Pi clock.

Objective: To calculate Pi by finding the ratio between circumference and diameter.

Independence Day

On August 15 Principal, Manager and HoS of both sections addressed the students online. There were different competitions like poster designing, painting etc.

ORAL HYGIENE DAY

TOSC, Grade 1 and 2 classes observed Oral Hygiene Day on 16 August 2021. Dr M A AHAMMED JAMAL MAKDOOM, Dental Surgeon, BPS Specialist, Soft Tissue Laser Specialist and Oral Implantologist gave a very useful presentation to our young kids.

VAKOG DAY

EYFS teachers conducted the 'VAKOG Day' on the theme "Sense organs " virtually on 11th August 2021.

Sensory Activities are activities that require the use of our muscles and joints that often involve some sort of resistance. Our students really enjoyed it as they are useful for children who have sensory processing difficulties and help them to improve attention and stay calm and ready for work.

Onam celebration

Before closing for Onam our students all presented different activities. There were songs, dance, food art, virtual boat race etc. Pre Primary students enjoyed Onam observing it as Traditional Attire Day.

Fruit Salad Day

Students from Grade-1 were given a chance to prepare fruit salads on their own. Although a few of them got help from their parents the activity gave confidence to our students and they really enjoyed it

SHAPES & PATTERNS DAY

EYFS of the Oxford School conducted the 'Shapes and Patterns Day' virtually on 8th September 2021 which was on Wednesday's Special activity .

The celebration started at 11.30 am.

Our little children enjoyed their Shapes and Patterns Day by shape man and Seed Tracing activity. The Shapes and pattern day was an amazing learning experience that had a long-lasting effect on each student.

GEOMETRIC DESIGNS & PATTERNS DAY

On 13-09-2021 Monday, Grade 1 & 2 students virtually celebrated Geometric Designs and Patterns day. The activity started at 11:20 am and ended at 12:00. Abstract shapes take things we normally find in nature or the real world and abstract key elements from them to make a recognizable representation of the original.

Healthy Food Art In Your Plate

Food we eat to enhance the creativity in learners and also to make them aware of healthy foods and its benefits.

Hindi Diwas

The Department of Hindi observed the Hindi Diwas with different cultural activities. All activities showed the importance of Hindi language and its history.

A black and white photograph of the atomic bombing of Hiroshima. A massive, billowing mushroom cloud rises from the ground, with a thick column of smoke and debris at its base. The cloud spreads out at high altitude, creating a large, textured canopy. The image is grainy and historical in nature.

Hiroshima Day

TOSC observed Hiroshima Day on August 6 to promote peace and raise awareness of the effects of the bomb attack on Hiroshima.

Knowledgepedia

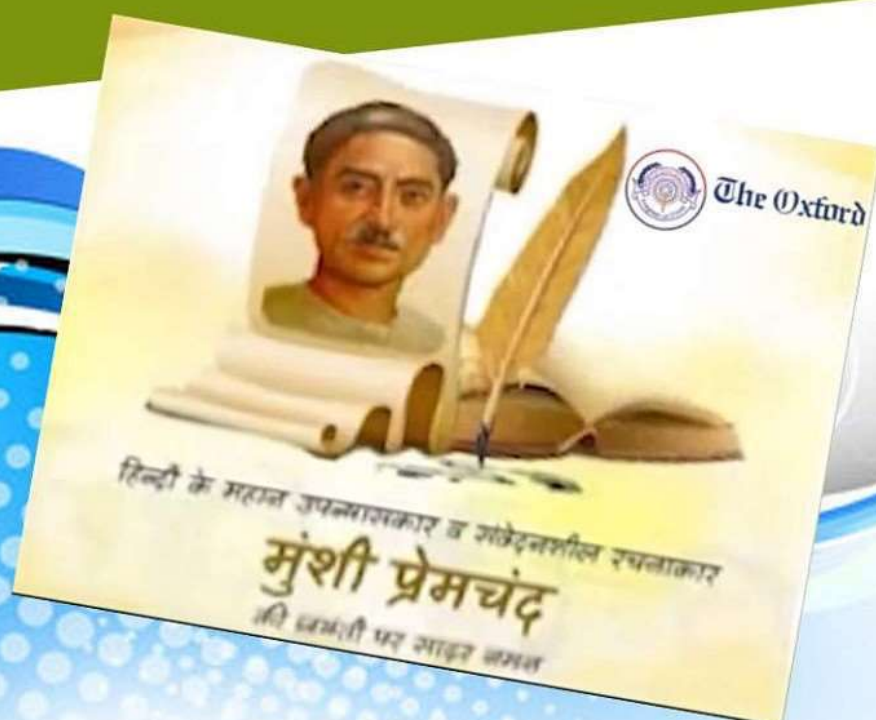

The students of the Oxford School should not go after any external private coaching centres for NSTE, Olympiad, NEET, JEE, IISER, Civil Service etc, such needs will be met by our weekly programme named 'Knowledgepedia'. The programme was launched by Mr. Rishi Raj Singh (IPS), who sensitised our students on different Civil Service Exams. Principal Dr. Anas presided over the program.

Munshi Premchand Jayanti

On the occasion of Munshi Prem Chand Jayanti, students participated in the online event organized by the Hindi department. They enacted famous characters from his novels. The talk delivered by the HoS emphasized on the importance of learning different languages in this dynamic world and connected it with social integration.

The Yellow Colour Day

EYFS of The Oxford School conducted the 'Yellow colour Day' celebration online on 29th September 2021 which was on Wednesday's special activity day to introduce children into the mesmerizing realm of colours. The shades of yellow made our kids feel bright ,lively and cheerful. The celebration began at 11.30 am . A day dedicated to the yellow colour was marked with children dressed in different hues and tints of yellow. Children were beautifully dressed in their favourite yellow colour dresses but also displayed yellow colour objects to make it a complete " YellowColour Day".

Space Week

The Space week was observed at the TOSC. Mr. Dhanesh, Scientist, Vikram Sarabhai Space Centre, Trivandrum ignited the curiosity of our students through his interactive session. Ms. Sulbha Ajuja, Primary HoS gave the concluding note.

BAPUJI DAY

EYFS of the Oxford School conducted the 'OBSERVATION ON BAPUJI DAY' virtually on 04th October 2021. The tiny tots delivered short speeches highlighting the quotes of Mahatma Gandhi and conveyed his noble messages in the most effective and influential manner. Confident little super stars enlightened their Peers by enacting as 'Bapuji'.

FS1 students made collage of Bappuji using News paper cuttings. Students of FS 2- created Charka on using waste materials on papers to comemmerate Bapuji on his Birth Day.

FOOD FEST

EYFS Of The Oxford School conducted the Food Fest on 13th October 2021 which was to bring together the important theme of 'Food'. The activity began at 11.30 am.

Each section was given different food activities like a vegetable sandwich, Fruit salad train, Fruit kebab, Vegetable salad and Stuffed banana. The kids were excited to show their dishes and they got hands-on experience.
