NEWS LETTER **OCTOBER 2023**

oxfordcalicut.com

CLIMBING WITH PIKLER

Wall Piklers : A gateway to imagination and physical prowess, transforms our play spaces into realms of discovery, where every step is a triumph and every climb unveils the extraordinary capabilities within our young scholars. At Oxford School, we believe in nurturing not just academic excellence but also the holistic development of our students, making every day an extraordinary adventure in education.

Martial Arts

Where Discipline Meets Dynamism

Young warriors of FS 2 showcasing their martial skills. In the sacred dojo of Oxford School, our students forge not only physical prowess but also indomitable spirits, sculpting character through the ancient art of martial excellence.

WORD SLIDERS

Engaging Minds with Word Sliders

Each tactile movement becomes a step towards making education an exciting, dynamic journey where letter symbols seamlessly relate to their unique sounds.

COMMUNITY HELPERS

A Remarkable Day of Discovery

Oxford Kids celebrate Community Helpers Day, recognizing the everyday heroes who make our world a better place. From doctors to firefighters, we salute those who inspire us to dream big and give back to our community!

KIDDIES ANNUAL ATHLETIC MEET

“ Fueling the Joy of Movement at Our EYFS Annual Athletic Meet 2023-24 ”

The field echoed with laughter, cheers, and the pitter-patter of tiny feet as our little ones showcased their athleticism and team spirit. A day of fun, fitness, and fostering a love for sports!

ANNUAL ATHLETIC MEET-TINY TOTS

Cheers and giggles filled the air as our Tiny Tots took center stage at the Annual Athletic Meet! From the thrill of ball collection to the sprinting excitement, the refreshing water-filling challenge, and the lively competition of musical chairs. Little feet, big dreams, and a whole lot of excitement made this event a celebration of joy, friendship, and the thrill of the race.

HAND PRINT

**Tiny Tots at TOSC, Leaving
Their Colorful Mark On Creativity
And Innovation!**

From handprints to vibrant creatures, these little artists are crafting their favorite animals and birds with boundless imagination.

OLA

Outside Learning Area

“Little Explorers At Play!”

Sand isn't just for castles; it's a dynamic playground where children build not only structures but also essential developmental skills. From sensory exploration to imaginative discovery, every grain contributes to their growth. Let the sands of play nurture their curiosity and creativity!

Craft Workshop

Little Picassos at Work

Grade 3-8 students unleashed their artistic potential at an exclusive art workshop, transforming ordinary objects into vibrant masterpieces. Hands dipped in hues, their journey of learning turned into a heaven adorned with crafts. Let imagination soar and skills blossom!

ANIMAL PUPPET MAKING

Grade 1 Creativity In Action!

Our little artists tried their hands at crafting adorable animal puppets as an extended activity. The excitement was contagious as they eagerly prepared to showcase their delightful creations to the class.

“Building Understanding, One Nest At A Time!”

Our students explore the importance of habitat for animals. Through hands-on learning, they crafted a nest with twigs, straw, and dry leaves, placing it in our school garden with hope that a feathered friend would find and make it their home. Embracing the beauty of ecosystems and the shelter they provide.

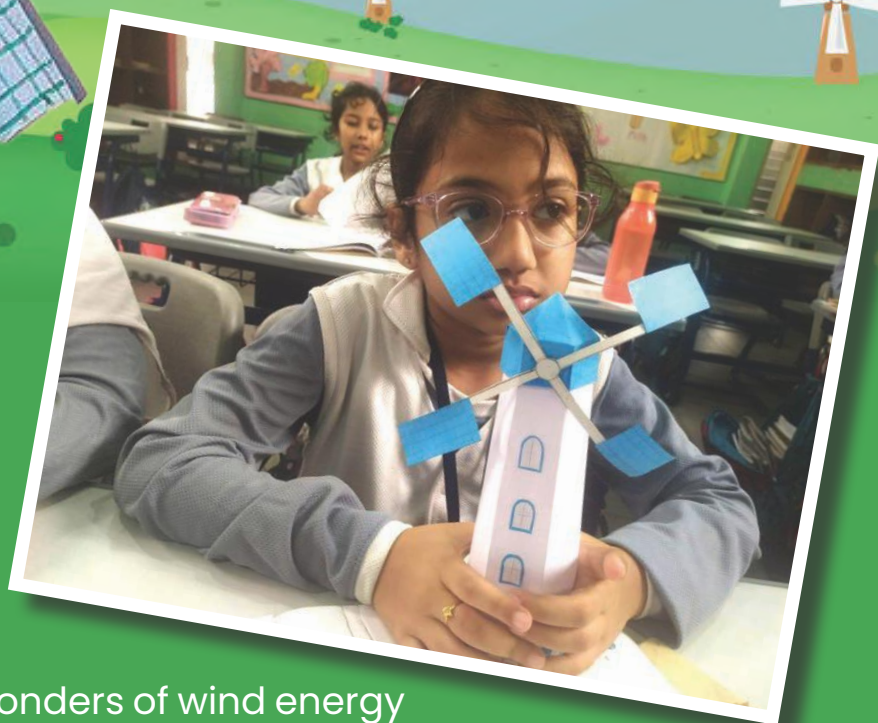

Windmill

Capturing The Breeze Of Knowledge!

Students explore the wonders of wind energy by crafting still models of windmills, delving into the fascinating realms of force, work, and energy. Let the winds of curiosity propel us into a future of possibilities!

Kerala State Sub Junior **WUSHU** **CHAMPIONSHIP**

“ Cheers To Our Spirited
Young Athletes!”

Fathima, a powerhouse in grade 6, clinches the bronze medal at the Kerala State Sub Junior Wushu Championship. Her dedication and skill shine bright, showcasing the triumph of hard work and perseverance.

**“Embarking
On a Cosmic
Journey!”**

Hands-on exploration transforms the classroom into a celestial playground as they unravel the cosmic choreography of seasons and day-night wonders. The thrill is real, the knowledge is boundless.

Field Visit

DAIRY TRAINING CENTRE

**Milking Knowledge
Straight From The Source!**

Grade 6 students embarked on a Dairy Adventure at the Naduvattom Dairy Training Centre. Experts shared insights on the art and science of preserving dairy delights, unraveling the process behind our favourite products. From cow to carton, these young minds witnessed the journey of milk magic!

Eradication of Poverty Day

Empathy In Action

Grade 3B Champs bring the reality of poverty to life on the International Day for the Eradication of Poverty. Through their heartfelt enactment, they bridge understanding and inspire change. Ending poverty isn't charity; it's about restoring dignity and providing opportunities for every woman and man.

Exploring Nature's Classroom At Royard Farm, Omassery!

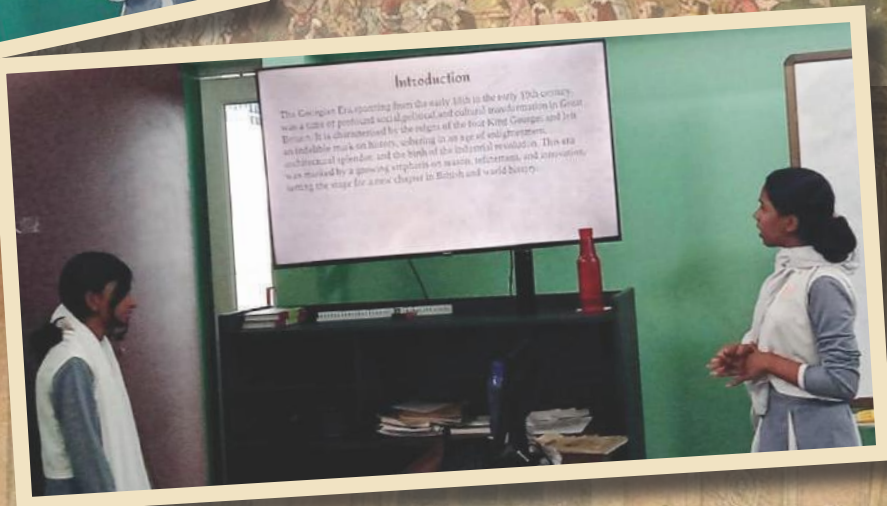

FARM VISIT

Grade 2 children embarked on a delightful field trip, getting up close with farm animals, birds, and fishes. Every chirp, moo, and splash turned this outing into a memory-packed adventure. Here's to the joy of discovery and the lasting impressions of a day well-spent!

SILVER ELEGANCE & SCANDALOUS HEISTS

Grade 8 students showcased their research assignment on the Historical and Cultural Context of the Georgian Era, through the gleam of silver teapots and the shadows of daring heists.

DEBATING THE MALL CULTURE

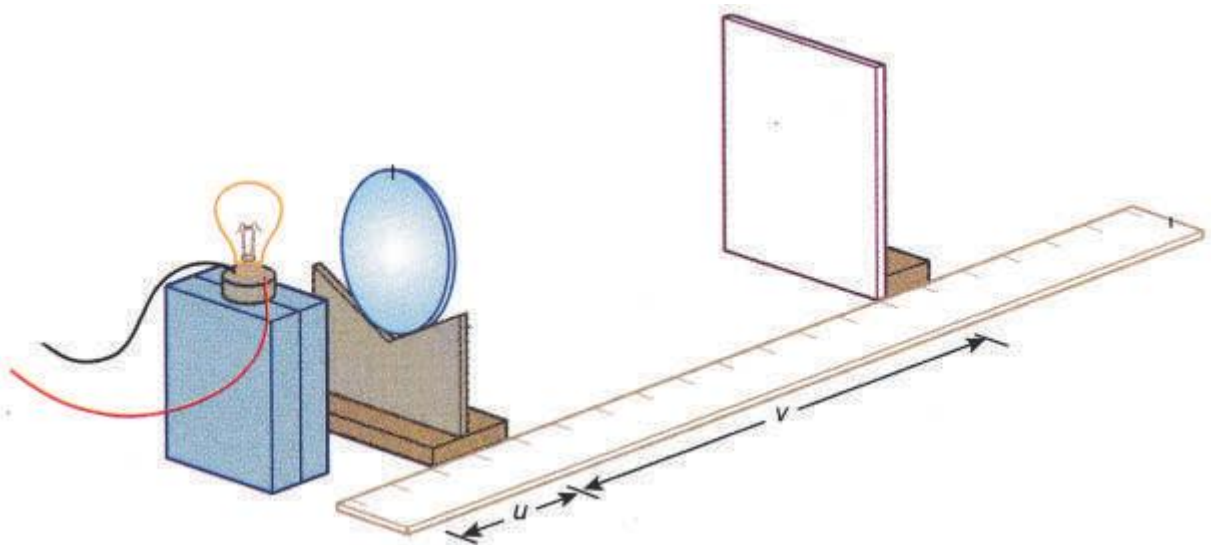

11th-grade students bring forth a dynamic debate on City Lifestyles, unpacking the pros and cons with insightful perspectives. From the hustle and bustle to the cultural kaleidoscope, their opinions paint a vivid canvas of urban living.

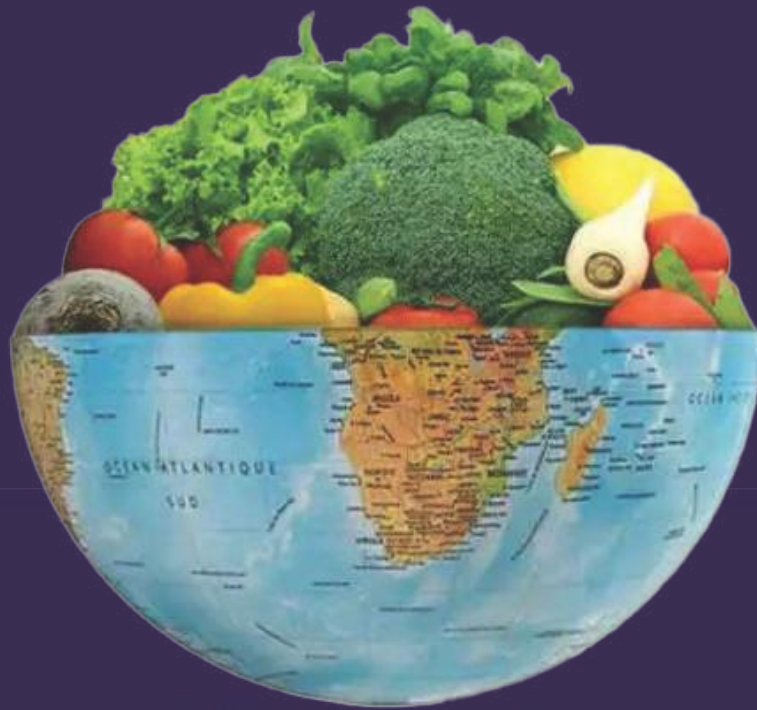

Focal Length

Exploring the Secrets of Reflection: Unveiling the Focal Length of a Concave Mirror through Hands-on Activities.

WORLD FOOD — DAY —

Observing World Food Day at TOSC – Where we nourish not just bodies, but minds and hearts. Embracing the power of food to fuel learning, empathy, and unity.

The Oxford School
CALICUT

Diplomatic Discourse

Diplomacy unfolds at Oxford School as minds converge in a Model United Nations Conference. Students stepping into the shoes of global leaders, engaging in passionate discourse to address world issues.

EYFS

Annual Athletic Meet

EYFS Annual Athletic Meet is a celebration of physical fitness, teamwork, and the joy of healthy competition. These little athletes are not only building their skills but also learning resilience and the true spirit of sportsmanship.

Community Helpers Day

Role-playing on Community Helpers day not only sparks imagination but also cultivates understanding. Students explore the diverse roles that individuals play in society, fostering empathy, social awareness, and a profound sense of responsibility.

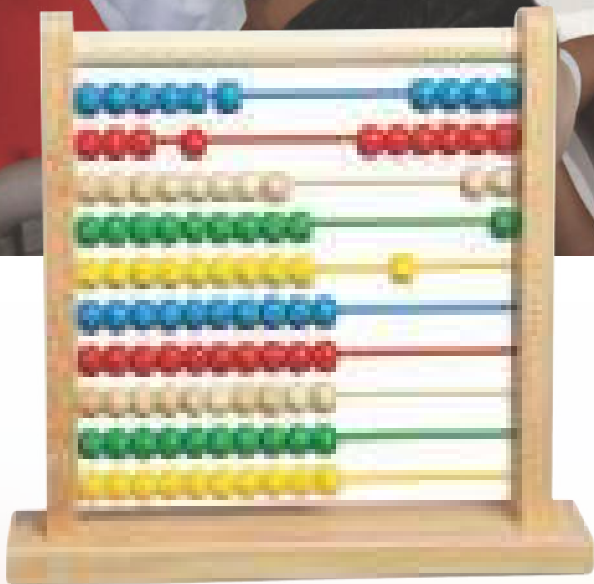

Waste Management Day

Empowering Minds On Waste Management Day!

A day dedicated to educating about responsible waste disposal, recycling, and environmental conservation. Participants not only grasp the impact of waste on our planet but also gain insights into sustainable practices. The learning outcomes? Increased knowledge about waste reduction and recycling techniques, paving the way for a greener, more sustainable future.

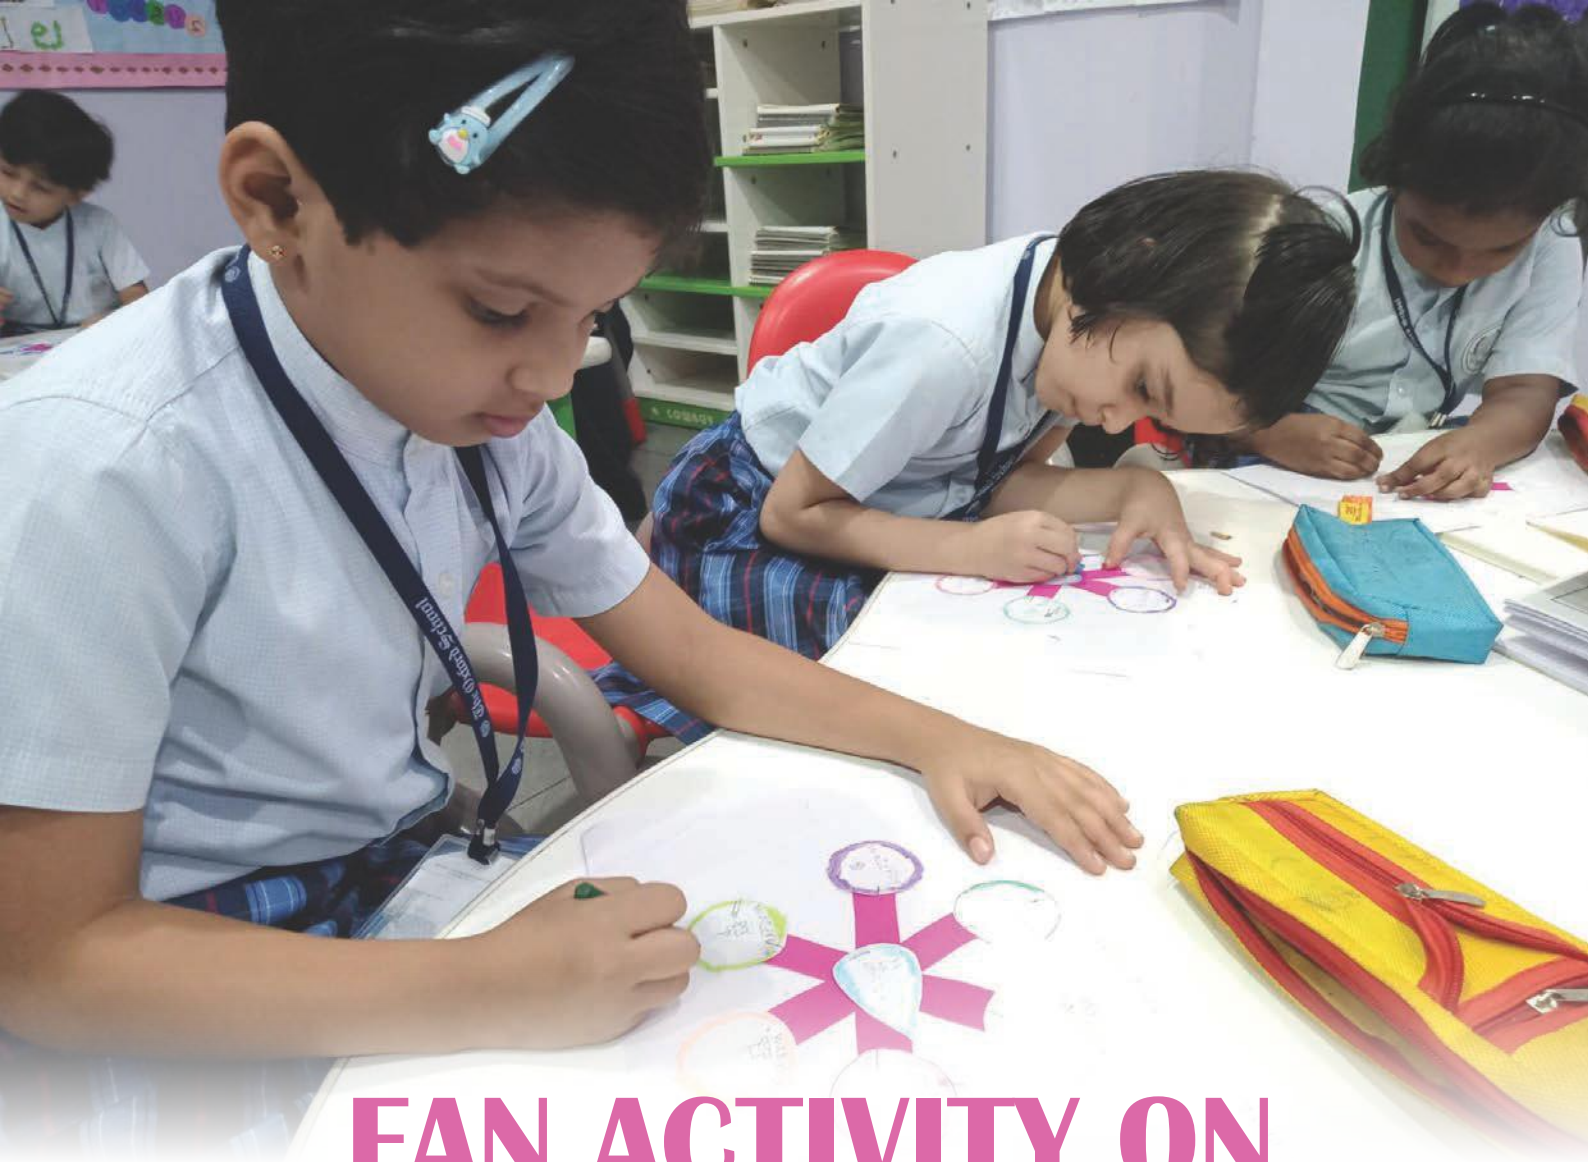

KNOWING ABACUS

Crafting Numerical Foundations With The Abacus!

Handmade paper rings make counting a breeze for our junior minds. As a numeral tool, the Abacus weaves the magic of numbers into their learning journey. Simple, tactile, and effective – it's the key to unlocking the world of mathematics!

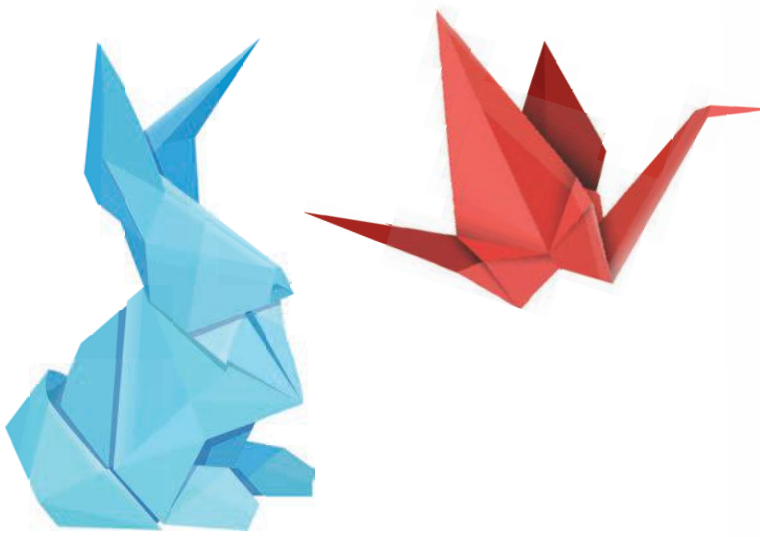

FAN ACTIVITY ON USES OF WATER

Diving Into The Wonders Of Water!

FS2 kids explore the uses of this precious resource through a hands-on water fan activity. From sips to splashes, they learn the various ways water touches our lives – drinking, cleaning, washing, and more. Building awareness drop by drop!

CCA – PAPER FOLDING COMPETITION

Unfolding Creativity And Skills At TOSC!

The Paper Folding CCA Competition not only showcased artistic talents but also honed essential skills in our students. From sequential memory to spatial perception, each fold brought forth concentration, coordination, and motor skills. Crafting more than just paper – we're shaping young minds!

PYRAMID MAKING

**Building Knowledge
One Cup At A Time!**

TOSC Tiny Tots explore the world of structures with a Pyramid Making Activity using paper cups. Through hands-on fun, they unravel the secrets of nets and discover how shapes come together to form solid foundations. A playful way to lay the ground work for future architects and thinkers!

NUMBER 8 TRACING ACTIVITY

“Rolling Into Numeracy With TOSC Tiny Tots!”

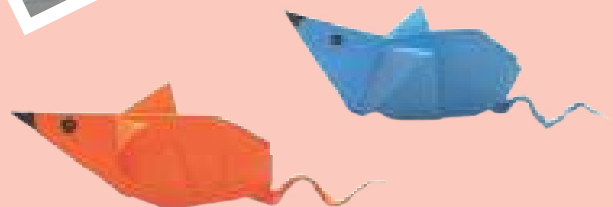

Exploring the magic of numbers, our little learners traced the number 8 with a ball. The facilitator crafted a tactile experience using cardboard, turning learning into a playful adventure.

Rolling, tracing, and discovering the world of numbers – it’s hands-on fun at its best!

RAT MAKING

TOSC Tiny Tots embraced their artistic side with a delightful Rat Making activity using paper. Laughter and joy echoed as they crafted their furry friends, turning simple materials into whimsical wonders.

BIRD MAKING

Tiny Tots, Flying Into Knowledge!

TOSC's little explorers engaged in a Knowledge and Understanding of the World (KUW) activity, creating vibrant birds with paper. Facilitators cut paper pieces as hen's body parts, and the kids pieced together these colorful chicks. A lively blend of learning and creativity took flight!

Doll Game

Musical joy echoed through TOSC as Tiny Tots played the lively game of Music Doll Passing. Laughter, rhythm, and delight filled the air as these little ones passed the joy along, creating cherished moments of shared play.

MAKING A RAINBOW

Tiny Hands, Big Bursts Of Color!

TOSC Tiny Tots immersed themselves in a vibrant and creative development activity, crafting radiant rainbows. A kaleidoscope of creativity from our little artists!

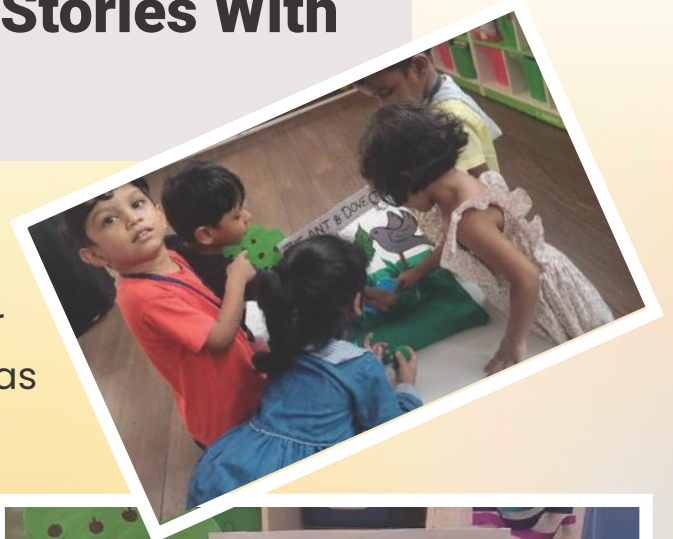

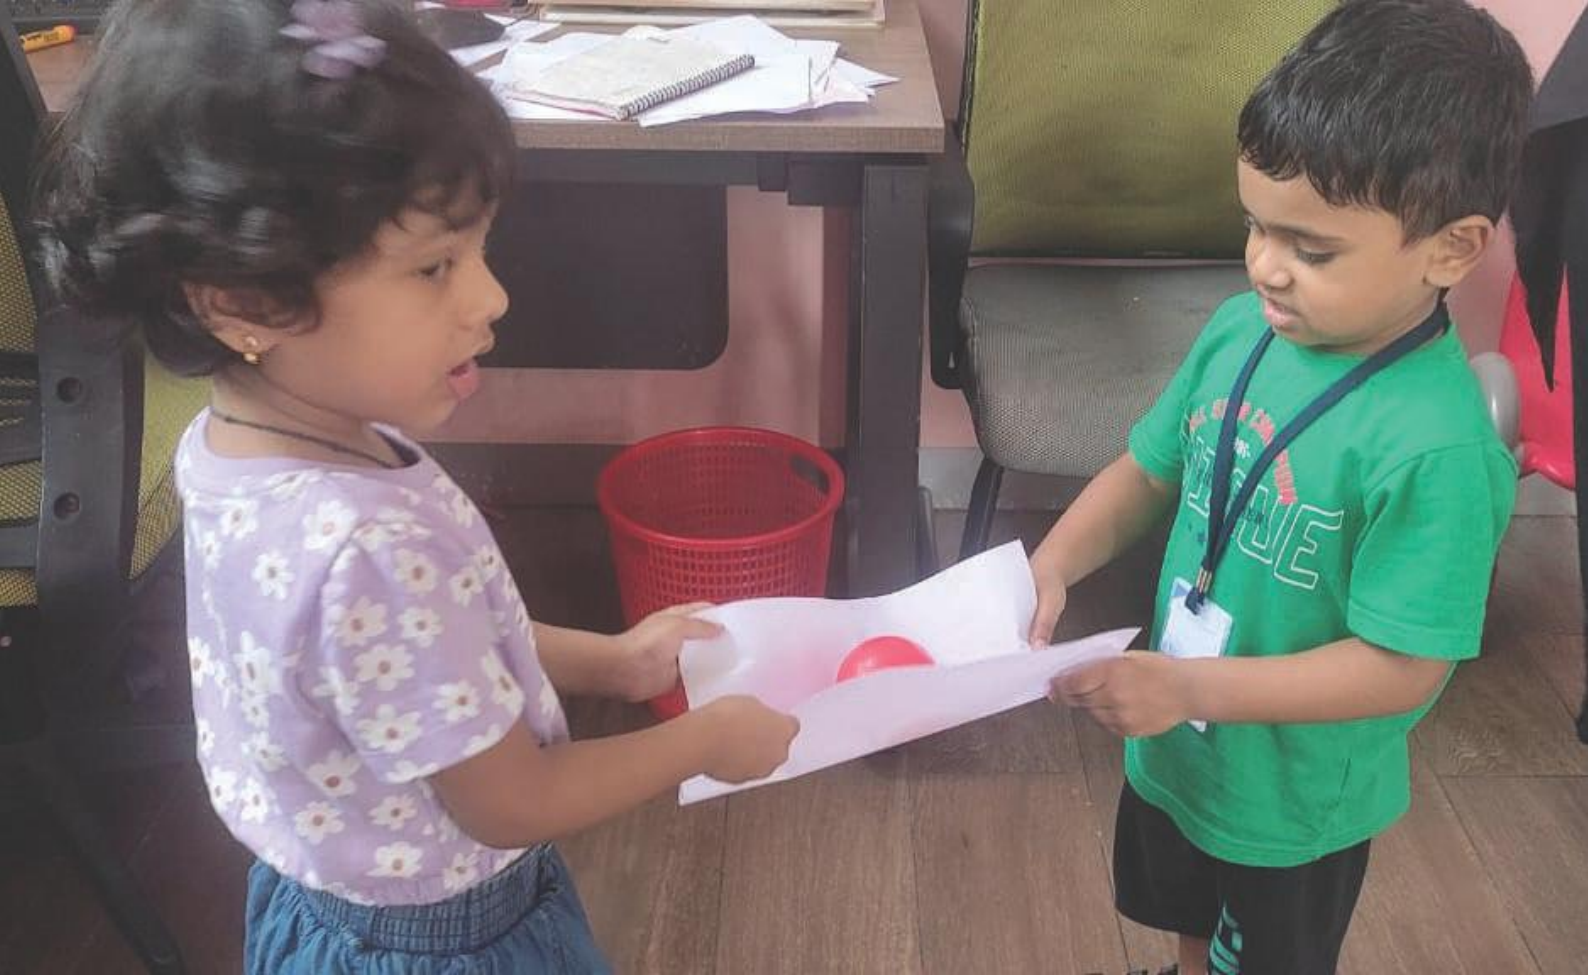

Story Telling

Unleashing The Magic Of Stories With TOSC Tiny Tots!

Through the enchanting world of puppetry, little storytellers emerged, weaving tales and adventures. Laughter and imagination danced hand in hand as these little ones brought stories to life.

BALL BALANCING WITH PAPER

**Balancing
Act Of Fun
And Skill!**

TOSC Tiny Tots engaged in a delightful game of Ball Balancing using paper, enhancing their fine motor skills. With every delicate touch and careful balance, these little hands became masters of precision.

IDENTIFYING VIBGYOR

**Grade 1 Students
Diving Into The
Vibrant World Of
Colors!**

Through an engaging activity, they identified and applied VIBGYOR, creating a kaleidoscope of hues.

Ordinal Number

Mastering Ordinal Numbers!

Mastering ordinal numbers! Through hands-on learning, they're arranging these numerical super heroes in ascending order, turning abstract concepts into concrete understanding.

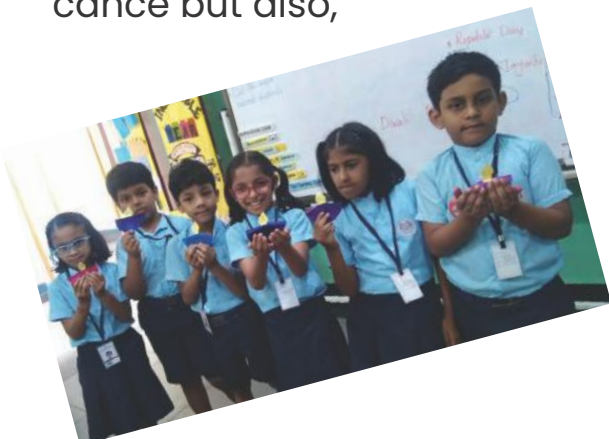

Making Diya

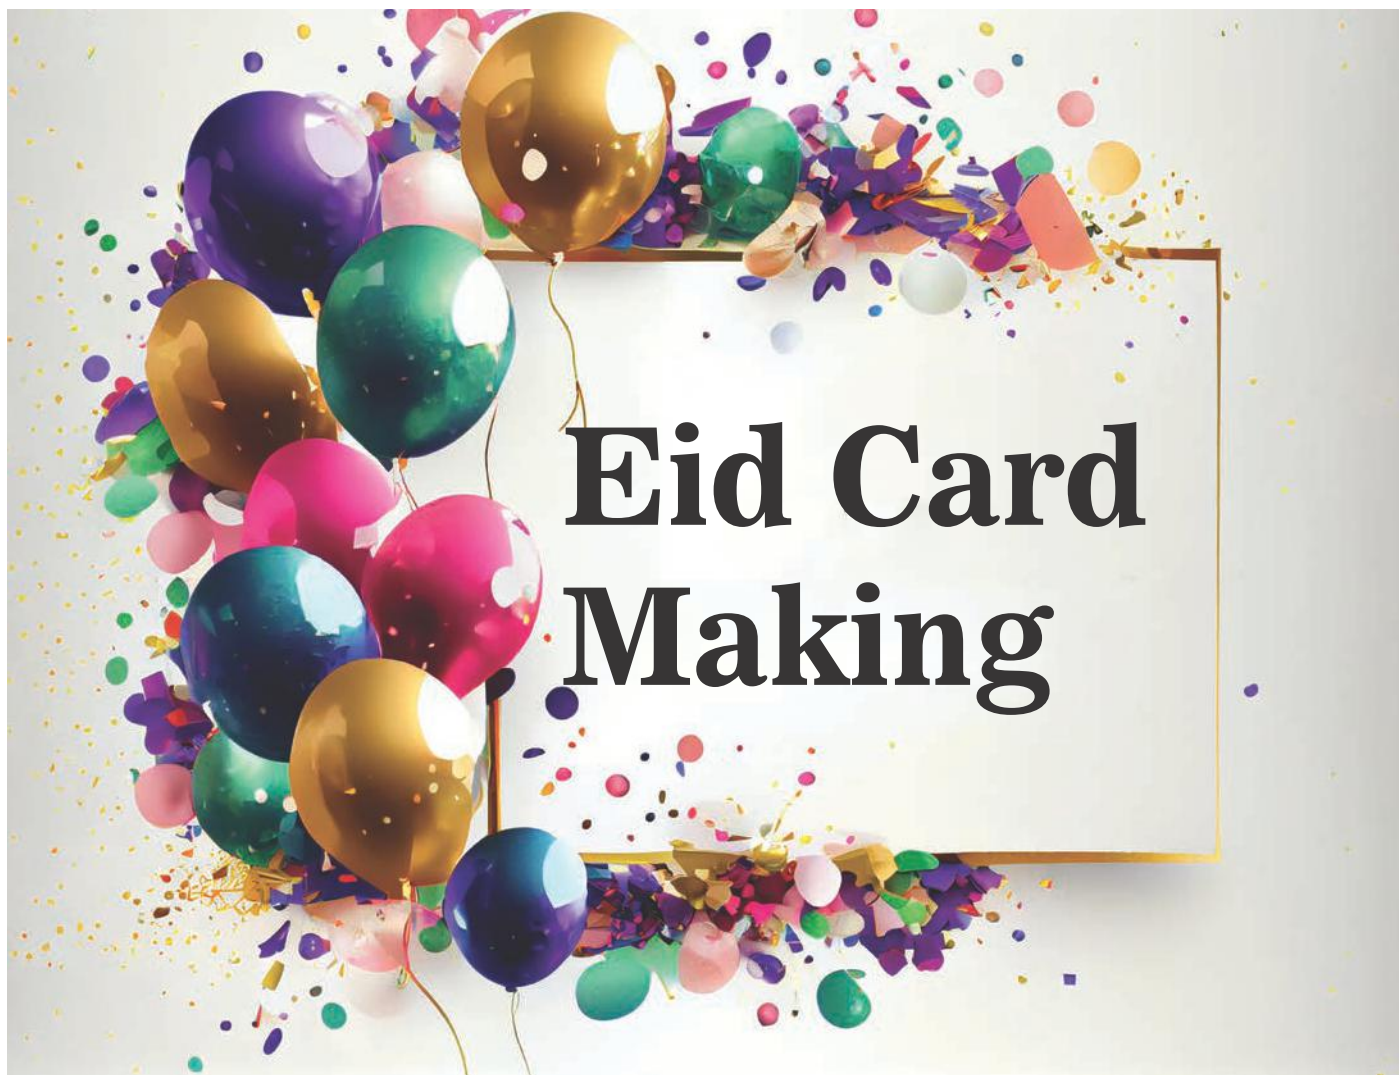

Bringing The Spirit Of Festivals To Life!

As part of the EVS chapter on Festivals, students dove into creativity, crafting vibrant Diyas out of colored papers. Through this art-integrated activity, they not only explored the cultural significance but also,

added their colorful touch to the celebration. Light, color, and festive joy all in one delightful creation!

Spreading Joy With Handmade Love!

Grade 1 students embraced the festive spirit by crafting beautiful Eid Cards for friends and family. The excitement echoed in every stroke of color and heartfelt message, creating a sense of joy that was not only in giving but also in receiving.

TRI COLOUR

Diving Into The Colors Of Patriotism!

Grade 1 learners, as part of the National Festivals topic, immersed themselves in a hands-on activity creating Tiranga.

Skip Counting

Turning Numbers Into A Game Of Fun And Learning!

Embracing gamification in education to make skip counting a breeze. Students are not just counting; they're exploring, engaging, and enjoying the rhythmic patterns of numbers in a playful way.

X-Mas Tree

Grade 1 students embraced the festive spirit by crafting and decorating their very own X-mas Trees. From glittering ornaments to colourful ribbons, every little detail tells a story of joy and creativity.
