

29 September 2025

Dear Family,

We are excited to launch a unique and inspiring talk show named ***TOS Talk*** very soon, which is designed to nurture our students' confidence, communication, and stage presence, helping them truly shine with the gift of the gab

TOS Talk is designed like an exciting journey! Every child will begin with a class-level prelim round, giving all students a chance to take the stage. From there, selected participants will move on to the Quarter Final and Semi Final, where they will face variety-filled challenges before our internal judges. Finally, the most talented speakers will step into the spotlight at the Grand Finale—an inspiring event where our young voices will shine before the entire parent community.

Preliminary Round (Category FS1&2)

Each participant needs to prepare one of the following topics in 2 minutes.

- If I Had Wings
- My Favourite Festival
- A Place I Love to Visit
- The Best Day of My Life

The top **five participants** will advance to the Quarter Finals. From **Quarter Finals to Grand Finale**, students will compete in exciting individual and group performance. Eliminations will happen after each round.

The **Grand Finale** will be a big event Infront of all parents of our school, most probably along with our Annual Day celebrations. We seek your encouragement and support in preparing and motivating our children for this enriching experience.

Important Dates:

- **Prelims - October 6 (During the class)**
- **Quarter - October 24**

Warm regards
Principal
